S.R.SATHE, J.

DATE: APRIL 2, 2007.

P.C.:-

A copy of letter dated 28th March, 2007 has been filed in court and the same has been taken on record. The learned counsel for the University submits that the mark sheet would not show that the petitioner was absent from examination but would specify that the candidate was granted exemption and the final year result would depend upon the performance of the petitioner in the final year examination of the University of Mumbai.

In view of this statement, nothing survives in this petition. Same is disposed of as infructous by allowing the parties to bear their own costs.
